IMPORTANT NOTICES TO STUDENTS/CLIENTS

• UPDATE YOUR INFO

It is critical that our records indicate the most current data on our students. Please ensure that our records reflect the correct name, mailing address, email address, phone number, license number, and social security number for each student/operator. It is important that this information match records that both the Oklahoma Environmental Training Center (OETC) and the Oklahoma Department of Environmental Quality (DEQ) have on file. Inconsistent or inaccurate information may delay the receipt of important materials and/or a student's license. If you'd like to confirm the information we have on file, please contact our office at 405.733.7488 or by email at training@rose.edu.

• CLASS SCHEDULES SUBJECT TO CHANGE

The OETC reserves the right to change its schedule as necessary for the safety and security of our students, clients, faculty, staff, and community. Periodically, low enrollment, inclement weather, the Covid 19 pandemic, and/or other unforeseen events will necessitate the changing or adaptation of our schedule. Updates will be posted on our website; and/or information may be acquired from the Oklahoma Environmental Training staff.
